

THE LOCHNAGAR LEAGUE RULES

The Lochnagar League is for Bronze British Dressage and unaffiliated GDG members competing at the GDG competitions listed below (please check BD schedules for classes available on specific days as not all levels are on both days):

- 8th and 9th May 2021 at Cabin Equestrian Centre
- 31st July and 1st August 2021 at Cabin Equestrian Centre
- 9th and 10th October 2021 at Ladyleys Equestrian Centre

Your five highest results will be used to calculate your TOTAL points. (Points are allocated for % scored, not placings.) *Please note: for 2021 only, the requirement to enter a minimum number of competitions to be eligible to win prizes will be waived and all your results will be taken into consideration, even if you have less than five.*

The Lochnagar League points are gained in the BD Bronze and unaffiliated sections (see notes below for eligibility) and also in the North East of Scotland Dressage Championship classes at the May competition.

Any horse or pony changing riders during the league will not carry forward any points gained with the previous rider.

The Overall Junior Champion will be the junior GDG member with the most points. 1st – 6th for Junior League.

Your points will be allocated after each competition so there is no need for you to register your intent to compete in the leagues; as long as you are a fully paid-up member, you will be included. If you have any queries, please contact gordondressagegroup@gmail.com.

Horses/ponies will be eligible to submit points at any one level for either Bronze or unaffiliated sections, not both, and with one rider only.

You can boost your points by earning DOUBLE points in any of the North East of Scotland Dressage Championship classes at the May competition. *(Not applicable in 2021.)*

Bronze Section: This is a BD affiliated section and to compete you must be eligible and enter according to BD rules.

Unaffiliated Section: GDG unaffiliated classes are open to horses/ponies who have gained no more than 25 points at any level above the level at which they wish to compete.

Music Classes: Bronze section – to compete you must be eligible and enter according to BD rules.
Unaffiliated – you compete at your level within the restrictions outlined above.

Horses/ponies which have been placed 1st in previous GDG dressage leagues, or at the North East of Scotland Dressage Championships in previous years, may not compete in the Lochnagar League at that level, with the exception of Advanced Medium level and above.
